This is the twenty-third report of the Trustees

STRUCTURE AND GOVERNANCE

SNIP International is a company limited by guarantee and not having a Share Capital and has its constitution and objectives set out in a Memorandum and Articles of Association. The Trustees are empowered to exercise all the powers of the company subject to Company Law and the Memorandum and Articles of Association.

During the year, Mrs Melanie Davies has been appointed a trustee.
Mrs Melanie Davis having been co-opted in the year offers herself for reappointment.

In accordance with the Articles Mr Robert Bacon and Ms Johanna Lopez will retire and offer themselves for re-election at the next Annual General Meeting.

RISK MANAGEMENT AND RESERVE POLICY

There is negligible risk in the operation of SNIP International.

It is the policy of SNIP International not to commit to equipment donations or the major part of overheads unless funds are available. Some overheads recur annually (amounting to no more than several hundred pounds) and by prudent management of reserves are covered multiple times.

Our reserves policy also enables us to consider applications for donations of equipment despite not having sufficient current income to support them.

OBJECTIVES AND PRINCIPAL ACTIVITIES

SNIP International is a charitable company dedicated to the relief from suffering of stray and feral animals in communities outside the United Kingdom, particularly through the sterilisation of such animals. Our current focus is on stray and feral cats and dogs.

The principal activity is to donate equipment designed for use in 'Trap/catch, neuter and return' procedures to overseas groups who share our approach to the treatment of stray and feral cats and dogs.

The Trustees confirm that the Charity Commission's general guidance on public benefit has been considered in relation to the objectives of the Charity. The report sets out those objectives and describes how they have been met in the current year.

REVIEW OF ACTIVITIES IN THE YEAR 2019

SNIP International has again been able to support a significant number of groups across the world by distributing TNR/CNR equipment via our attendance at the International Companion Animal Welfare Conference held this year in Malta as well as by direct dispatch from our supplier MDC Exports. The majority of the groups were new to us and it is pleasing that the TNR/CNR message is becoming more widely known and aided by the mainly volunteer groups that we are supporting.

To date we have distributed 2,228 pieces of equipment to 83 countries.

During 2019, we distributed 252(257-2018) items of equipment to 67 groups (85-2018) which included 53 new groups (58-2018) and 4 new countries (1-2018).

For the fourth consecutive year, The Petplan Charitable Trust had also given us the opportunity by their generous grant of £2500 to run a supplementary TNR project in the host ICAWC country. Following previous practice SNIP International, match-funds the donation and meets the transport costs.

TNR Malta resulted in the distribution to eight groups within Malta.

Quotations have been received for a new logo and outline work has been undertaken in respect of an updated website; and it is planned to unveil these in the near future.

Once again, I look forward to working with my fellow board members and supporters to maintain our work and explore other ways in which we can help animals in need.

FINANCIAL RESULTS AND ACCOUNTS

As shown in the financial statements, Expenditure exceeded Income for the year ended 31 December 2019 resulting in a deficit of £1919, which is deducted, from the Unrestricted Fund. The accounts are prepared in accordance with the provisions applicable to companies subject to small companies' regime under Companies Act 2006 and Statement of Recommended Practice FRS 102 applicable to small company charities and the Charity's governing documents.

CURRENT AND FUTURE OPERATIONS

Our priority for 2020 will be a new website designed from scratch and a review of our marketing material and logo. Progress has already been made in this respect. This will help increase awareness about what we do and how we can help more groups around the world to give cats and dogs a better life through TNR schemes underpinned by equipment donated by SNIPI.

We will also be seeking to recruit more trustees to help with the increased activity that the additional financial resources, provided by the legacy, will generate.

On the constitutional side we continue to progress with the Charitable Incorporated Organisation (CIO) structure thereby simplifying the governance requirements of being both a charity and limited company.

We will continue to maintain operations as in the past and aim to build on the success of the ICAW Conferences we have attended so far and through donations direct from the UK.

For 2020, it is our intention to replicate and expand the well received and now established practice of focusing more resources in the host country of the ICAWC conference (for 2020- Sofia, Bulgaria). This year we will include groups in both the host country Bulgaria as well as in nearby Romania.

The Petplan Charitable Trust has approved an increased award of £4000 for 2020 enabling a combined £8000 worth of equipment to be donated by SNIP at ICAWC 2020 to groups in Bulgaria and adjacent Romania. We acknowledge The Petplan Charitable Trust's ongoing support and confidence in our strategy and ability to impact the host country at the ICAWC.

Aside from the concentrated impact within the host country, we are able to considerably reduce shipping costs and thereby deliver more equipment to each individual organisation.

In addition, administration can be undertaken in advance of the conference.

FUTURE POLICY AND DONATIONS

We will continue to identify opportunities to donate equipment, which we consider will benefit the operations of overseas groups, especially to those least able to obtain such equipment for themselves. To this end we will rebuild and modernise our website to ensure it is more capable of conveying our charitable objects and can be viewed on mobile and tablet devices.

In order to create greater impact we will review our fundraising/marketing strategies to increase income where possible thereby increasing our ability to donate more equipment to those groups around the world that are operating TNC-R schemes to help animals.

possible we donate items of equipment such as traps and trap-transfer-restrainers to bona fide overseas applicants who can arrange to have them picked up in the UK thus saving transport costs.

In all cases, we are careful not to give too much preference to any one applicant.

It is not our intention currently to provide cash donations or grants.

We will continue to support the training programmes currently offered overseas and in the United Kingdom by donating specialist equipment.

Finally, we wish to thank all our Friends. Their support is invaluable in helping us to meet our aims and we are keen to encourage others to become Friends and join us in fulfilling our mission so that real progress is made in promoting respect for and humane treatment of stray and feral cats and dogs.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company and Charity Law requires the Trustees (who act as Directors for the charitable activities of SNIP International) to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees also acknowledge their responsibility to keep proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

SNIP International
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2019

1. ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention and in accordance with the provisions applicable to companies subject to small companies' regime under Companies Act 2006 and Statement of Recommended Practice FRS 102 applicable to small company charities and the Charity's governing documents.

Voluntary income is received in the form of donations (including legacies) from individuals, grants from charitable funds, annual subscriptions of Friends of SNIP International and certain administrative, publicity and some travel costs are borne by the Trustees and not reimbursed.

- i) In accordance with the standard (FRS102) an advised legacy is included in the Statement of Financial Activity on the basis of :-
 - a) Probate of the estate has been obtained.
 - b) We have been advised of the estate surplus.
 - c) There are no conditions attached to the receipt of the legacy.

The treatment under FRS102 is a departure from our previously stated accounting policy (i.e. Legacy income is credited to the Financial statement when received), however there is no restatement required in respect of prior years.

- ii) Grants from charitable funds are included in the Statement of Financial Activities when confirmation has been received that payment will be made.
- iii) Annual Subscriptions of Friends of SNIP International are credited to the Statement of Financial Activities in accordance with the Subscription Year to which they relate.
- iv) Where significant income arises from occasional promotional events, such income is shown separately before deduction of expenses and the related expenditure, if material, is also shown separately.

Expenditure is included in the Statement of Financial Activities based on liabilities incurred including constructive obligations, if any have arisen.

2. VOLUNTARY SERVICES

SNIP International has no employees. All its activities are carried out on a voluntary basis.

The Trustees are prohibited from receiving any remuneration for their services under the terms of the Memorandum and Articles of Association unless such services are provided in a professional capacity. There were no such professional charges in the year (2018 Nil).

SNIP International
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2019

3. TAXATION

No liability to or refund of UK Corporation tax arises as a result of these accounts. Income tax of £192 has been paid on the interest received (£959), in respect of the legacy, which was held in the client account of the executor pending its release.

4. UNRESTRICTED FUND

This represents the cumulative surplus of income over expenditure and is generally available to meet expenditure incurred by the company.

5. CONSTITUTION

SNIP International was incorporated as a company limited by guarantee and not having a share capital. The liability of each member is limited to £10. The company is also registered as a charity whose purpose is to relieve the suffering of stray and feral animals in communities outside the United Kingdom, particularly through the sterilisation of such animals.

6. INCOME AND EXPENDITURE

An amount of £3326 (£2,863-2018) has been included in Subscriptions and Donations Income and in Resources Expended (included in donations of equipment) in respect of equipment donated by MDC Exports Ltd and Cats Protection at the annual ICAWC.

The equipment has been distributed at the discretion of SNIP International to ICAWC attendees based on applications but taking into account, inter alia, SNIP International's historical knowledge of the applicant organisation and their past receipt of previous donations of equipment from SNIP International.
